

The power of plants
is revealed

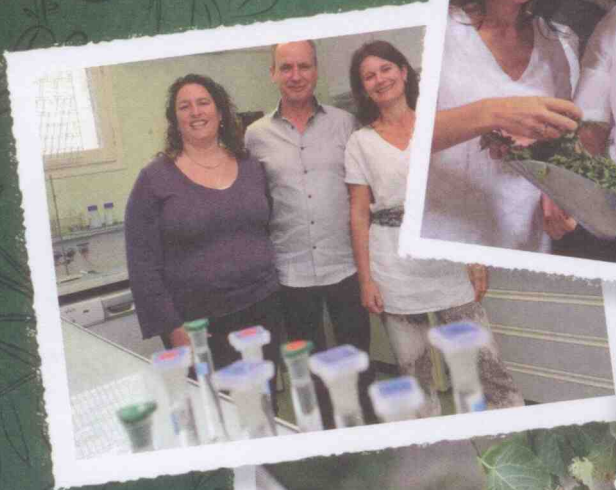

Mes
Secrets
d'herboriste

The big French herbalist's shop takes the place of honour!

Since 1970,

Traditional family herbalist know-how

Pharmacist's control

Selecting the best land,

is to find the secret of the plants through knowledge of their virtues.

Lime picking by hand

The natural flavour of plants,

is to respect their blends, without flavourings, without adding essential oils and without any other artificial ingredients.

Isabelle Senente with her father, an expert in medicinal plants

Provence and Mont Ventoux

100%
French
production
short circuit

Environment:

- harvesting by hand for ecological, united and participatory agriculture
- natural fibre sachets
- Imprim'vert ink
